Ronnie Coleman just got out of his stressful job. He needs to make videos for his youtube channel so he can make a living from there and quit his day job.

Ronnie's usual gym doesn't let him record, so he needs to go to a gym that is pretty empty. Ronnie starts searching for a gym.

Using our app, Ronnie finds a gym with not that many people in it. Ronnie is happy and asks his gym bro if he wants to join him.

Ronnie and his friend arrive at the gym, and see it is indeed not busy. He opens the app to rate it 5 stars. He has a great workout and makes a ton of videos for his channel.

Ronnie now uses the restaurant feature to find a nearby food place that helps him get a healthy meal in.

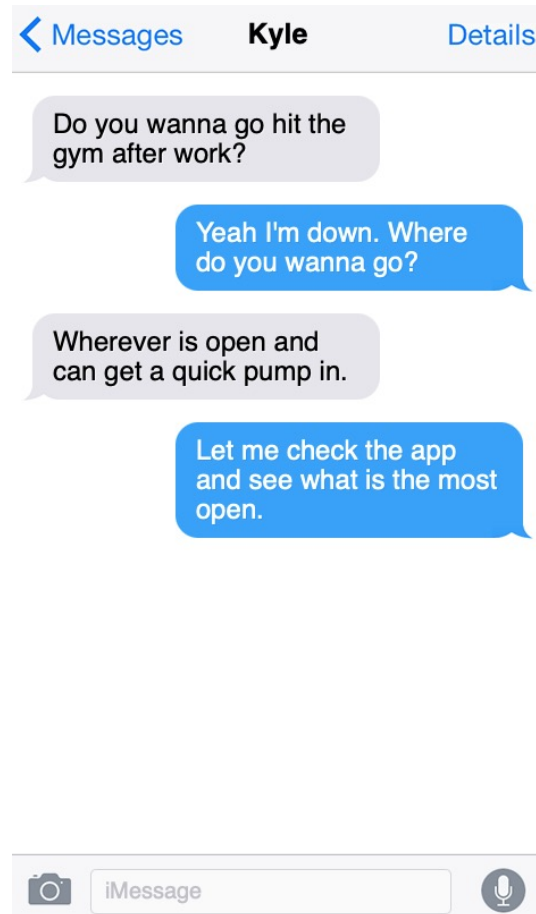

Ronnie arrives home, excited to upload his videos. He then remembers he has no girlfriend, so he becomes sad.

Connor McSmall – Cade Phillips

Connor McSmall is about to finish up his day at work and ready to clock out.

Connor gets a text from his friend Kyle with some after work plans. Connor and Kyle have had issues in the past of going to overcrowded gyms and not be able to get a good work out in.

Connor heads out of the office ready to go meet up with Kyle.

Connor gets to the selected gym of the day and sees that it is very open. Connor heads into the locker to get changed and ready for a good workout.

Connor is content with his workout and gets ready to head home earlier than normal and get some dinner and have a calm rest of the night at home.

Connor eats some dinner and ends the night watching some football with friends due to his extra spare time with the open gym.

The Story of Kyle Smith

Fred Schein

After a long day of business classes and the expectation of having to do something for the frat Kyle is pledging, he knows he only has a small window of time to get a lift in.

2

As Kyle takes his preworkout to get ready for the gym he needs to decide what gym he will go to but doesn't know which gyms will have the least amount of people so he can get a lift in as fast as possible.

3

Kyle calls his buddy Joe to see if he knows which gym has the least amount of people, but to Kyle's surprise Joe is taking a rest day and doesn't know what the gyms look like.

4

However, Joe informs Kyle of a new app that tracks how many people are in gyms and what areas of the gym are packed or empty.

5

Kyle uses the app to find the gym that best suits his needs and sees it is within walking distance and gets directions from his current location to the gym he chose.

6

Kyle is able to have a quick workout, but after hitting legs so hard that day he couldn't possibly walk home, so he uses the app to get him an uber back to his dorm.

Persona Giga Chad- Tyler Korth

Giga Chad is crowded at the gym and is having a difficult time working out since all the dumbbells and Machines are taken up. He is mad since this is wasting his time and reducing his pump.

Giga Chad is cooking and making his meal prep and starts eating one of his meals before he goes to the gym

As Giga Chad eats his meal his Gym Bro Giga Cat messages him to go to the gym but he finds an app that tells him the best time when to go

The Gym Finder app allows it so if you are not able to walk after hitting legs at the gym to send you to the Uber App to prevent them getting a leg cramp and crashing while driving.

Giga Chad and Giga Cat used the app and found the best time to go to the gym and now they can lift in peace.

Thanks to the app that finds the optimal time to go to the gym. Giga Chad is to get a sick pump.
